August 13, 2019

Dear Students and Families,

On behalf of our entire faculty and staff, we would like to welcome you to our school community.

West Pine Middle School has a longstanding tradition of excellence, extending back to our founding over two decades ago. In recognition of our commitment to middle grades excellence in the areas of developmental responsiveness, social equity, academic excellence, and teaming based on the needs of young adolescents, we have been named a national School to Watch by the National Forum to Accelerate Middle Grades Education four consecutive times. This honor places us in an elite group of middle schools in the United States.

At our school, you will find dedicated, knowledgeable, and successful teacher leaders and staff members who are dedicated to helping your student ignite their personal desire to achieve personal and academic growth.

It is a distinct privilege to serve our school community. We are at your service should you ever require any assistance as you serve as a stakeholder in our learning community.
